4.5. **[Remove if not applicable: Volvo has appointed Volvo Truck Corporation, a company incorporated pursuant to Swedish law, to invoice and collect payments on Volvo’s behalf, which payment process shall apply if and to the extent Volvo has informed the Customer.]**

5.2. Either Party may terminate this Agreement by providing the other Party notice at least sixty (60) days prior to the termination date. A notice shall be provided in accordance with Article 13 below. 5.4. Volvo shall have a right to terminate this Agreement if the Customer transfers the ownership of the Vehicle(s) to a third party.

5.5. Either Party may by written notice according to Article 13 below terminate the Agreement immediately if the other is in material breach of the Agreement or enters into insolvency, bankruptcy, any arrangement with its creditors or any other arrangement or situation which has a like effect.

6. Consequences of termination

6.1. Upon termination of the Agreement for whatever reason the Customer shall not be entitled to a refund of any sums paid under this Agreement and the Customer shall forthwith pay Volvo any sums accrued due under this Agreement.

7. Responsibilities and obligations of Volvo

7.2. Volvo shall use reasonable endeavors to keep the Data secure and use it only for the purposes that follow from or are permitted according to this Agreement or otherwise stated in the rFMS standard.

7.3. Volvo does not guarantee that it is possible to keep Data and/or communication completely secure. The Customer is aware that there may be periods of time when the Data Access Administration Tool is not capable of being accessed. Nor can Volvo guarantee the accuracy from third party services. In addition, the Data Access Administration Tool may not be available due to scheduled maintenance work.

9.2. The Customer guarantees that it owns or otherwise has the right of disposition of the Vehicle(s).

10. Specific conditions for the availability of the Services

10.1. The Services will be provided by Volvo in respect of the Vehicle when the Customer has created an API Account and assigned a Vehicle to such account, if payment for the Service has been received by Volvo in accordance with this Agreement.

11. Limitations of liability

11.1. The following provisions of this Article reflect the scope of the Agreement and the price for the Services.

(i) Volvo's total maximum liability under this Agreement for claims arising in each calendar quarter (whether in contract, tort, negligence, statute, restitution, or otherwise) shall not exceed 100% of the sum paid under the Agreement in the calendar quarter in which the claim arose.

(ii) Volvo will not be liable (whether in contract, tort, negligence, statute or otherwise) for any loss of profits, loss of business, wasted management time or costs of data reconstruction or recovery whether such loss arises directly or indirectly and whether Volvo was aware of its possibility or not or for any consequential or indirect losses.

(iii) Volvo hereby excludes to the fullest extent permissible in law, all conditions, warranties and stipulations, express (other than those set out in the Agreement) or implied, statutory, customary or otherwise which, but for such exclusion, would or might subsist in favor of the Customer.

12. Force Majeure

12.1. Volvo will not be liable to the Customer for any failure or delay or for the consequences of any failure or delay in performance of the Agreement, if it is due to any event beyond the reasonable control and contemplation of Volvo including, without limitation, third party service providers (including but not limited to GSM data operators), acts of God, war, industrial disputes, protests, fire, tempest,

explosion, an act of terrorism and national emergencies and Volvo will be entitled to a reasonable extension of time for performing such obligations.

13. Notices

13.1. Any notice in connection with the Agreement by the Customer shall be in writing addressed to the contact address set out on the Data Access Administration Tool for notices or change of address and will be delivered by hand, or first class or special delivery post.

14. Miscellaneous

14.1. Time for performance of all obligations of Volvo is not of the essence.

14.2. If any condition or part of the Agreement is found by any court, tribunal, administrative body or authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision will, to the extent required, be severed from the Agreement and will be ineffective, without, as far as is possible, modifying any other provision or part of the Agreement and this will not affect any other provisions of the Agreement which will remain in full force and effect.

14.3. No failure or delay by Volvo to exercise any right, power or remedy will operate as a waiver of it, nor will any partial exercise preclude any further exercise of the same, or of any other right, power or remedy.

14.4. Volvo may vary or amend the terms and conditions of this Agreement with three months' prior written notice to the Customer.

14.5. The Agreement is personal to the Customer who may not assign, delegate, license, hold on trust or sub-contract all or any of its rights or obligations under the Agreement without Volvo's prior written consent.

14.6. The Agreement contains all the terms which Volvo and the Customer have agreed in relation to the Services and supersedes any prior written or oral agreements, representations or understandings between the parties relating to such Services.

15. Applicable law and dispute resolution
